

Consultation on petition P-03-262 Wales Peace Institute  
Response from George Miller

I fully support the establishment of a Wales Peace Institute to oppose the testing of murderous weaponry and the training of personnel in mass killing in Wales, as has been proposed and is taking place. The use of advanced weapons systems of high lethality against broken and impoverished nations, with uncounted numbers of innocent victims, is utterly contrary to the wishes, feelings and traditions of Wales.

George Miller
