Inquiry into recycling in Wales  
Response from: Mrs E A Pepper

I was horrified to see from last week's local newspaper (The Gem) that the WAG may try to force a change on the Vale Council in our local recycling practices.

I object very strongly to this unwarranted interference in the excellent job which our local Council is doing in this specific field.

Co-mingling and weekly collection of our recyclable waste is very easy and convenient for ratepayers to comply with and I am sure that contributes to the high rate of recycling in the Vale, which all residents can be proud of.
