P-04-525 Funding for CREST Awards in Wales

Petition wording:

We, the undersigned, call on the Welsh Government to reinstate the required

funding for the Crest Awards in Wales, and want the National Science

Academy to recognise the value of the Crest Awards to primary and

secondary education, and the requirement of funding for the Crest Awards to

continue.

Additional information:

CREST is a project-based awards scheme for the STEM subjects (science,

technology, engineering and maths). It links students to curriculum-based

learning. Last year over 30,000 CREST Awards were undertaken in the UK

giving 5-19yr olds opportunities to explore real-world projects in an

exciting way. Over 10% of the Awards in the UK were awarded to pupils in

Wales. The success of the increase in number of CREST Awards in Wales has

been achieved with funding from the Welsh Government (NSA) to coordinate

and increase activities in Welsh schools. This has enabled the scheme to be

offered bilingually, subsidised the pupils' registration fee, provided grants

and other supportive structures provided through See Science. CREST Awards

have bought considerable benefit schools and the implications of the withdrawal of funding will be felt directly by the pupils and teaching

staff.CREST Awards are recognised by all Universities in the UK and provides

strong evidence of contextual data
